

# APPRENTICESHIP READINESS PROGRAM

Apply Today at: <https://tinyurl.com/wist-arp>

This 13 week program has been developed specifically to **help WOMEN succeed in the construction skilled trades**. Participants will be introduced to the fundamentals and basic skills of our industry through a combination of classroom and hands-on activities.

Graduates of the WIST ARP will be placed in to one of our sponsoring Building Trades Union Apprenticeship Programs, where they can continue their on-the-job training while getting paid.

Candidate Interviews will be held in March  
ARP classes will begin in April

# APPRENTICESHIP READINESS PROGRAM

## WIST | ARP

This 13-week program will kick-start your career in construction by introducing you to the fundamentals and basic skills of our industry, through a combination of classroom and hand-on activities.

## WOMEN IN SKILLED TRADES

WIST's Apprenticeship Readiness Program (ARP) has been developed specifically to **help women succeed in the construction skilled trades.**

### CURRICULUM

WIST will help you make a successful transition into a Registered Apprenticeship Program by incorporating the following elements into our ARP curriculum:

- Nationally recognized NABTU Multi-Core Curriculum (MC3)
- OSHA 10-hour Certification
- First Aid/CPR/AED Certification
- Sexual harassment awareness training
- Physical strength training by a Certified Trainer
- Mentorship program connecting participants with other women in the construction trades

**CANDIDATE INTERVIEWS  
WILL BE HELD IN MARCH**

**CLASSES BEGIN IN APRIL**

Promoting better lives for women through skilled trades
